Mr. Hammer explained that Funktion Design wanted to go over the discrepancies with Mr. Fetzer and Mr. Staskiewicz to begin with.

Mrs. Cody also wanted to know the status of the evaluation so far. We are waiting for results, and what options and concerns do we have.

Mr. Hammer said he would get in touch with Melody Hamlin, Funktion Design and see how soon she can get us the report for both buildings. This way we can go over it and see if any corrections or additions need to be made before are next meeting.

We discussed the meeting with Funktion Design on October 28, 2019. Mrs. Gauthier will put out a notice to the news media. We went over the public notice and made some corrections.

We discussed the agenda for the October 28, meeting. What should be on it, how will we start, where will we meet and go from there along with how the reports and discussions will be listed on the agenda? The committee agreed the discussion and reports should not only include the town shop and town hall, but also the former Newbold School.

Mr. Hammer adjourned the meeting at 10:50 a.m.
